

Courses Automatically Granted Honors

"Course Honors" will not be designated on transcripts for the following courses, but they will count toward annual honors requirements and completion of the Honors Program, provided the grade earned is satisfactory (see note below).

Note: "xyz" in the list means that any letter combination following that course number is acceptable (i.e. INT 184NF).

Note: All courses with optional grading **must** be taken for a letter grade and students must earn a "B" or better for the course to count toward Honors Program completion. However, if a course is **only** offered on a Pass/No Pass basis, the Pass (or Satisfactory for graduate courses) will count toward completion of the Honors Program. At the beginning of the quarter, consult the professor regarding the grading option.
