

Winter 2016 Honors Sections

This is a tentative list. Please confirm with the instructor at the first lecture that there is an honors section offered.

See information about completing the program on our site or come to honors advising walk-in hours (see hours on the Contact page of our site).

- Grading rules:**
1. Unless P/NP is the **ONLY** grading option set in **GOLD** by the instructor, you **must** earn a letter grade of **B** or better in an honors section to earn an honors experience.
 2. If the honors section is a 1-unit section (ANTH 1H) linked to a primary lecture (ANTH 1), you must be **concurrently enrolled** in both of these to earn **ONE** honors experience. In these cases, you must earn a **B** or better in **BOTH** parts in order to earn **ONE** honors experience. *These linked honors sections are denoted below with a "+" sign in the Course column. Example: AS AM 1 + 1H will equal 1 honors experience PROVIDED you earn a B or better in both the course and the honors section.*
